Our Dementia Care Services

At Bimkel care, we understand the challenges that come with dementia, both for those living with the condition and their loved ones. That's why we are dedicated to providing compassionate, person-centered dementia care that enhances quality of life, promotes dignity, and fosters a sense of belonging.

OUR APPROACH TO DEMENTIA CARE

Our care is rooted in understanding and empathy. We create supportive environment tailored to the unique needs of each individual. By focusing on abilities rather than limitations, we aim to help individuals live fulfilling lives, despite the challenges of dementia.

What we offer

TAILORED CARE PLANS

Each individual within our care receives a personalized care plan developed in collaboration with family members and healthcare professionals. These plans are regularly reviewed to adapt to changing needs.

SAFE AND COMFORTABLE ENVIROMENT

Our services are designed to provide safety, comfort, and familiarity. From secure living spaces to thoughtfully planned layouts, we aim to reduce confusion and anxiety.

MEMORY SUPPORT ACTIVITIES

We offer a range of activities designed to stimulate memory and cognitive abilities, including:

- Reminiscence therapy
- Music and art therapy
- Gentle physical exercises
- Sensory experiences

TRAINED AND COMPASSIONATE STAFF

Our caregivers are trained in dementia care best practices, including understanding the stages of dementia, effective communication strategies, and behavioral support techniques.

FAMILY SUPPORT AND ENGAGEMENT

We believe families are an integral part of the care journey. We provide regular updates, support groups, and opportunities for family involvement to help loved ones stay connected.

HOLISTIC CARE APPROACH

In addition to physical care, we address emotional and social well-being. From meaningful social interactions to nourishing meals, our holistic approach ensures that every aspect of life is

SPECIALIZED DEMENTIA CARE
